

Proof of immunity

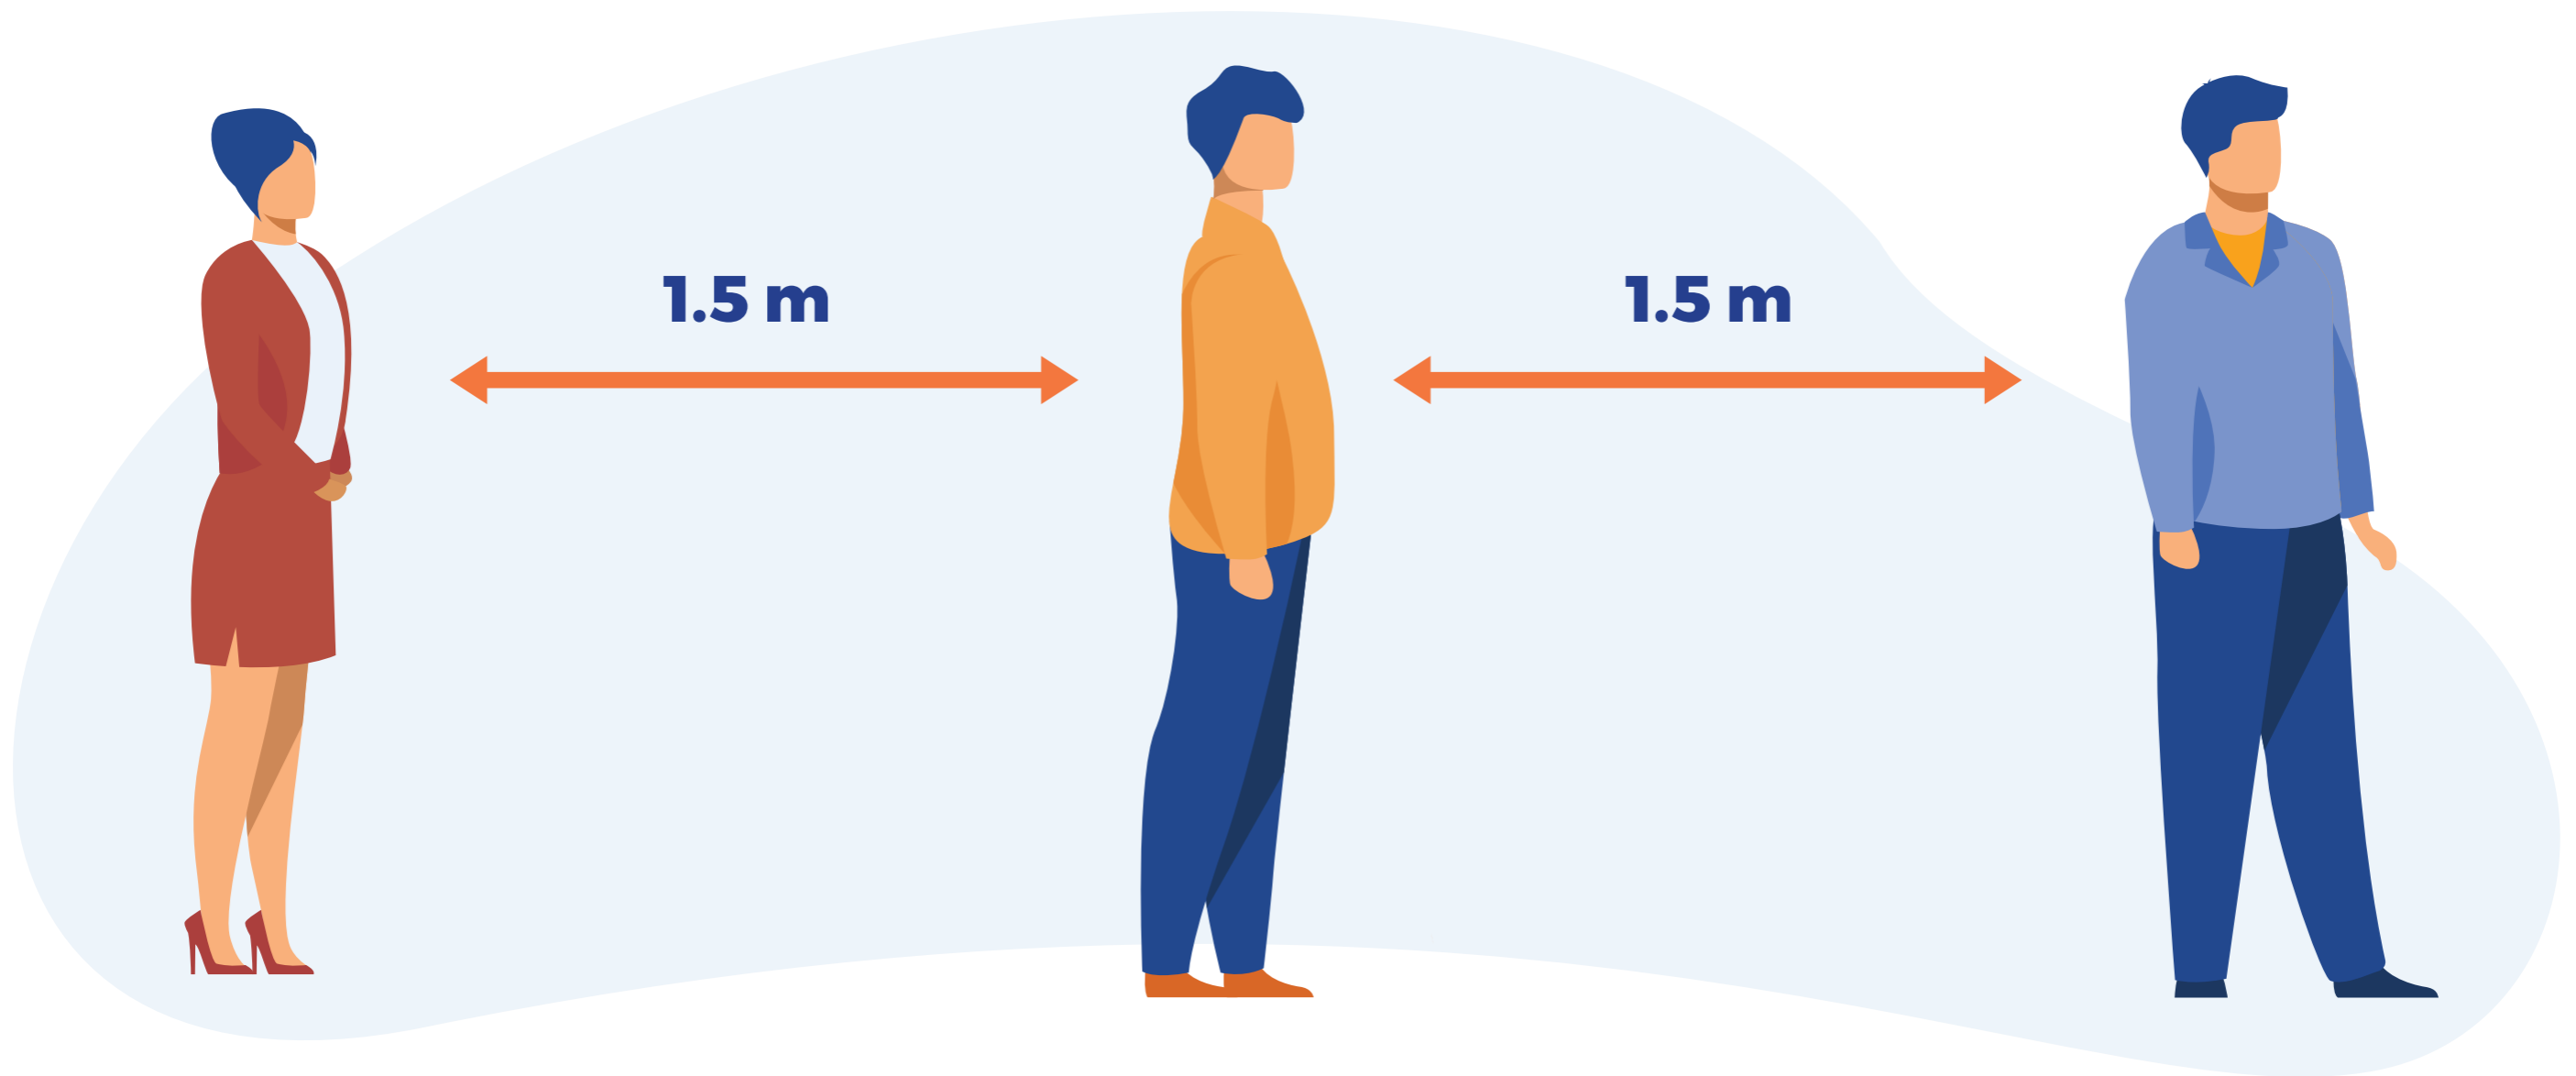

Please note that we only serve guests inside the restaurant who have properly certified their immunity. Immunity can be proved by presenting the immunity certificate together with personal ID card (or passport).

Mask-wearing rules

Our event may only be attended by persons who have duly certified their immunity, as well as minors under their supervision. Wearing a mask is not obligatory for minors.

Keep a safe distance!

Please keep a safe distance of one and a half metres!

Proof of immunity

Please note that we are obliged to check if you are immune; therefore, please prepare your immunity certificate ready to present, as well as your personal ID card or passport.

Entry rules

Except for persons aged under 18, entry is only permitted with an immunity certificate.

Proof of stay

Dear Guest! If you do not have an immunity certificate, please be prepared to prove that you are staying for business, economic or educational purposes.

Entry rules

The spa may only be visited by persons carrying the immunity certificate, except for guests aged under 18, as well as by guests coming for medical consultation with a referral.

Rules for on-site consumption

Consumption of food and drink in the restaurant is permitted only to guests presenting an immunity certificate, as well as to guests aged under 18 who are under their supervision. Persons without immunity may stay in the restaurant only in order to use the toilet or to pick up and pay for the ordered food, and they are obliged to wear a mask.
